

REUSE AND REVITALISE

## NEW BUSINESS TYPES

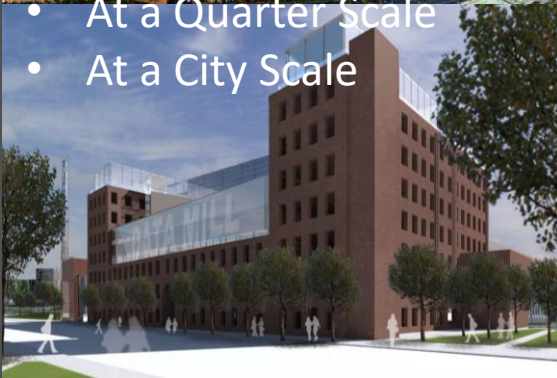

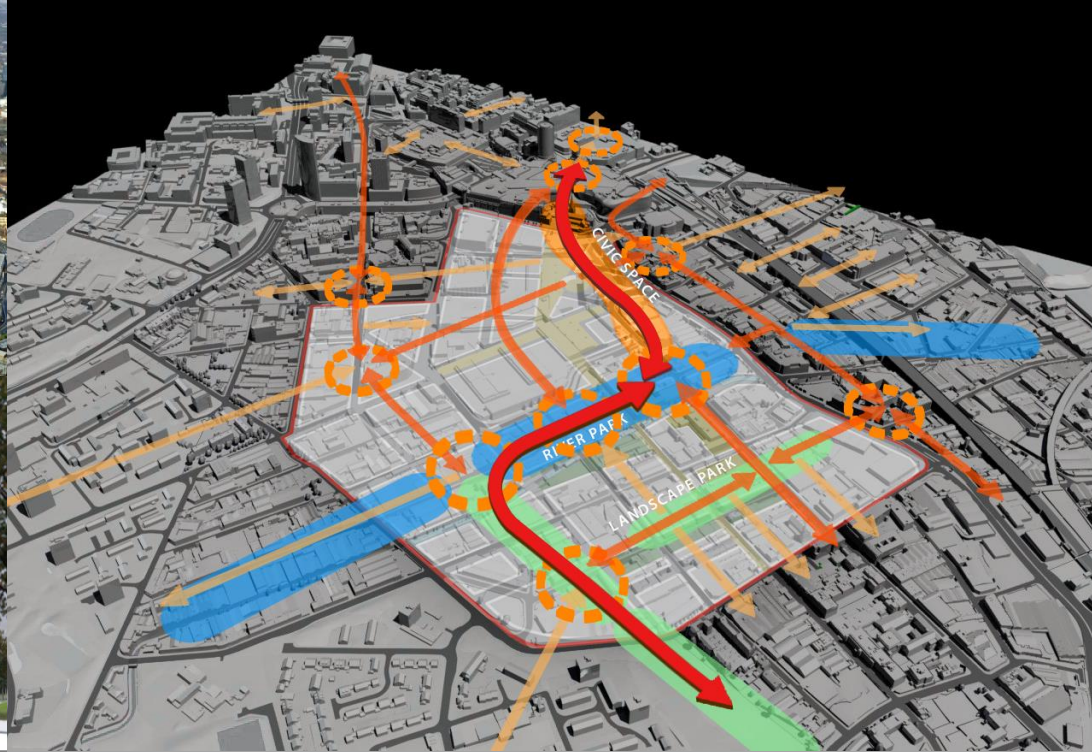

NEW TYPE OF SPACE

- At a Building Scale
- At a Block Scale
- At a Quarter Scale
- At a City Scale

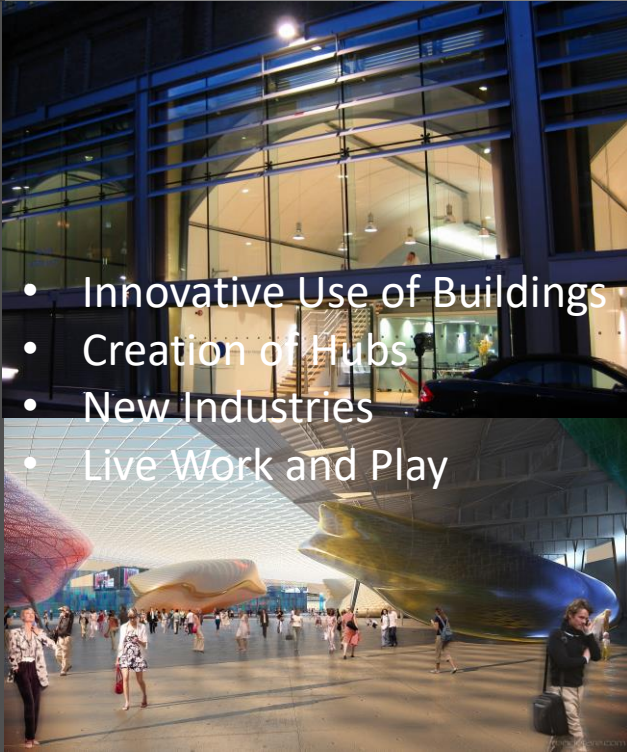

REVITALIZING CITIES

- Innovative Use of Buildings
- Creation of Hubs
- New Industries
- Live Work and Play

INNOVATIVE RE USE

*'What people expect from their place of work has changed. Millennial's or Generation Y now make up the majority of the workforce and look at life very differently to the previous generation'.*

*Cushman and Wakefield*

Technology, changes in lifestyle, and new types of businesses mean the workplace is now not linked to a desk, but the street, park or café within the wider urban context.
