

A modern office interior featuring a large, curved, light-colored marble floor. In the foreground, there are several uniquely designed, curved chairs and a low, round table. The background shows glass-walled offices and a ceiling with recessed lighting. The overall design is sleek and contemporary.

Greetings,

On behalf of the U.S. Green Building Council, I congratulate you on achieving LEED certification for Wilo Campus Almaty. Your project has achieved gold certification under the LEED 2009 Core and Shell Development rating system with a total of 60 points.

LEED certification identifies Wilo Campus Almaty as a showcase example of sustainability and demonstrates your leadership in transforming the building industry. In honor of this impressive achievement and in appreciation of your participation in LEED, we are pleased to present you with the enclosed certificates recognizing your accomplishment.

Now that your project has achieved LEED certification, we encourage you to share your project with the green building community. Please follow the prompt in LEED Online to make it a "public" project. Public projects appear in our LEED project directory found on USGBC.org and are eligible to participate in additional marketing efforts and campaigns.

Congratulations on earning LEED certification, and thank you for your commitment to our common goal of building a healthy, sustainable future.

Sincerely,

Mahesh Ramanujam
